On April, 11th, 2019 around 1:50pm, my husband was driving my vehicle. He parked ~~in~~ in the handicap space ~~got~~ out of the car to walk paper work into the school. I was sitting in the car in the passenger seat while on a business phone call. Within a few minutes of standing in that spot, the officer parked up behind my car, blocking me into the spot. He walked up to my window & asked me ~~me~~ why I was parked there. I told him I was waiting on my husband to come back out from walking paper work into the building. I also told him that I can move the car out of the spot & park some where else. I then tried to get out of the car to move to the drivers seat to move the car. The officer told me to get back in the car & said it was too late to move it & that it should not have been parked there. He then asked me if the car was mine. In panic, I answered "NO" because I was concerned & distracted by the phone call I was on. He then asked me for my ID & instructed me to end my call. I hung up the phone immediately & proceeded to give him my ID. He took my ID & walked back to his ~~the~~ vehicle.

BASIS FOR COMPLAINT

The officer walked back to my car while my husband was coming back from the school. He asked my husband who's car it was & he replied that it belonged to me. The officer then said he is writing me a ticket. He wrote the \$750 ticket, gave it to me & said that if I hadn't lied about the car being mine he wouldn't have given me the ticket. He showed me the court date & time on the ticket. I took the ticket, folded it up & placed it in my wallet. Also, when my husband arrived to the car, the officer told him to step back away from the car or get into the car. My husband stepped back as he was instructed to do so. After receiving the ticket, the officer moved his vehicle & we were able to drive off.

Subject: Citation #YB146995

On 11Apr19 at approximately 1350hrs., an unknown M/B came to SSCPD to speak with a supervisor, P/O Wynne #7 referred the person to me. The M/B advised, he came into SSC to distribute some flyers. He advised he had parked in a handicapped spot but left his girlfriend in the car and an SSCPD Officer was writing him a ticket. I asked him if either of them were handicapped and he stated "No". I advised, him he was not allowed to park in a handicapped spot. He asked if he could speak with the Chief and I advised him you would be in tomorrow. He departed without incident. P/O Galarza #13 then came into SSCPD with the State citation he wrote. I observed, he wrote the ticket to the female passenger of the vehicle. I asked him why he wrote the ticket to her (Kennard, Michelle). He stated, "I saw her driving, park the car, slide over to the passenger side and then she lied about it, so I issued her the ticket." P/O Galarza stated this in front of K. Love and O'mari Smith. P/O Galarza then finished his paperwork and went back out on patrol. Dispatcher Love then advised me, P/O Galarza had taken an expired Temporary DL as bond, so no actual Bond was posted on the ticket. Love had advised P/O Galarza of this and P/O Galarza took the temporary license and left. I contacted P/O Galarza about the DL via the radio and advised him to bring it in. When P/O Galarza came into SSCPD, he stated, "I just realized this DL is expired." A review of the ticket revealed, P/O Galarza not only wrote the ticket to the passenger, failed to secure a valid bond, wrote the wrong violation number(wrote 11-1301.3(A-1) instead of 11-1301.3) and failed to sign the ticket. Detective Miller then checked the surveillance camera and observed the vehicle pull into the visitors lot at 1329hrs. . At 1331hrs., the M/B exits the drivers side of the vehicle. At 1341hrs., P/O Galarza arrives on scene and approaches the passenger side of the vehicle. at approximately 1343hrs., the M/B driver arrives at the vehicle and speaks with P/O Galarza. At 1356hrs., the M/B enters the drivers side of the vehicle and drives away. There is approximately a ten minute difference from the time the suspect vehicle pulls into the lot and the time P/O Galarza pulls into the lot. There is no possible way P/O Galarza observed the passenger of the vehicle driving the vehicle. A review of the body cam video 9Cam #04) of the incident reveals no conversation between P/O Galarza and the passenger concerning the passenger ever saying she was the one that drove the vehicle there. P/O Galarza never asked the passenger who drove the vehicle there and the passenger never stated she drove the vehicle.

On April 12, 2019, I was dispatching at SSC. Galarza called in a traffic stop of a car parked in a handicapped spot in the visitor's lot. He ran the plate and the camera tech pulled up the visitor's lot and the traffic stop. We observed him talking to the passenger of the car. Several minutes later a person came in to complain about the Officer and was referred to Detective Presta who was OIC. The person talked to Det. Presta and left. Galarza then ran a DL that registered to a female, Michelle Caban O'Kennard. He then cleared the call saying he issued 1 ticket. Det. Presta was standing at the desk when Galarza came into the office. Det. Presta asked him why he wrote the female passenger a ticket. Galarza said he saw her driving and slide over to the passenger seat. He said she lied to him so he wrote her the ticket. Det. Presta then said ok and left. Galarza finished his paper and turned in the ticket. I checked the ticket and DL and told him that the DL was expired and I couldn't take it for bond. He said that must have slipped by me and he would return it at court. He put the expired DL in his pocket and left. I told Det. Presta of the issue with the bond and he asked me for the DL. I told him Galarza took it after I informed him it was expired. Presta called Galarza over the radio and asked him if he had the DL and to bring it back. When Galarza came in he told Presta that he just realized it was expired. He lied to Presta because I had told him it was expired before he left. Presta took the DL and told Galarza he would check into it.

Re: Oral Warning

This oral warning is being given to you for writing Citation YB-146-995 (Unauthorized Use of Parking Reserved for Person with Disabilities) on April 11, 2019, in the Visitor's Lot at South Suburban College.

After reviewing all the facts (Outside camera footage, body cam from the Officer and the Citizen complaint Against a Department Member) on how the citation was written and the D/L that was posted for Bond was expired. There was conclusive evidence that it was written to the female passenger of the vehicle and not the driver.

In conclusion, the citation is voided and Officer Galarza will write a to and from to the head Judge of the Markham Court and void the citation.

Any future infractions of this nature may result in progressive disciplinary procedures, up to and including termination.

On Friday, May 3, 2019, Sgt. Benney called me at home and said he would leave a report for me, since Detective Presta was coming back to work on Monday, May 6, 2019, after his bereavement.

On Monday, May 6, 2019, I reviewed the Case Report #20190040; Titled Official Misconduct.

On Wednesday May, 8, 2019, I called the State's Attorney and spoke to Joanna, who's the State's attorney in Room 204, where all the SSCPD cases are brought before the presiding judge. After explaining Case #20190040, she advised me to call the Professional Standards Unit at 26th and California in Chicago and speak to the Supervisor, Ms. Lynn McCarthy. I left Ms. McCarthy 2 messages.

On May 9, 2019, Supervisor Lynn McCarthy called me back and I explained the situation to her about Case #20190040. I asked her if she can send a State's Attorney Investigator to oversee and investigate Case #20190040? Ms. McCarthy advised me that she would talk to an investigator from the State's Attorney's Office and they will call me on Friday, May 10 2019, to see if they will help with the investigation.

On Friday, May 10, 2019, Mike Cook, Commander of Operations with the State's Attorney's Office called me and stated to take Internal Administration Action on the case.

On May 13, 2019, Sergeant Benney and Chief Chiaro had a meeting with Ofc. Oscar Galarza in regards to Case#20190040; a complaint against a department member.

When we asked him about what happened? Ofc. Galarza apologized and admitted he was wrong. Ofc. Galarza signed an Oral Warning and was advised not to do it again. Also, Ofc. Galarza was advised to write a to and from to the Chief Judge at the Markham Court and void the citation.

Leonard Chiaro, Chief of Police 5/13/19
